Age of the Gods Mighty Midas Slots

Are you ready to explore a world of golden

opportunities? Our review of Playtech's Age of the Gods Mighty Midas will help you unlock an online slot filled with big bonuses, bigger payouts, and lots of exciting features.

Since the online casino provider first introduced Age of the Gods slots, the range has continued to grow. How does the free Age of the Gods Mighty Midas slot machine compare to the earlier titles? Let's take a closer look to see if everything we touch turns to gold.

Play 40 Lines on Your Way to Big Prizes

Playtech once boasted a

popular range of progressive jackpot slots based on Marvel superheroes. The Marvel Jackpots range had games dedicated to heroes like Hulk, Spider-Man, and Thor. When Disney took over, online gambling didn't sit well with Marvel's new owners and the jackpot range was dropped.

Playtech weren't defeated, however. They simply kept their

existing software and developed a new range of online slots. This time, the theme was the gods of ancient Greece. Thor and Iron Man were replaced by Poseidon, Zeus, and Athena. In the new Age of the Gods games, the progressive jackpots remained.

Recently,

Playtech have been ramping up the Age of the Gods video slots. While compiling our Age of the Gods slot review, we observed that the graphics and gameplay haven't really improved since those first games were introduced. But the progressive jackpots are still present, and the bonus features have been given a boost.

The Age of the Gods

video slot is played on a standard set of 3x5 reels. There are 40 fixed paylines, compared to the 20 of the original Age of the Gods online slot. Coins begin at just 0.01, but there is a possible max bet worth 2000.00 on every spin. Players can also hit an Autoplay function and program up to 99 spins consecutively.

Hit Stacked Symbols for

Giant Payouts

In some other Age of the Gods slots, the gambler has to make do with regular 1x1 symbols hitting the reels. Our Age of the Gods Mighty Midas online slot review revealed lots of stacked symbols.

If you don't know the Greek myth of King Midas, it tells the story of a king who hosted the satyr Silenus. After returning him to the god of wine, Dionysus, Midas was rewarded with a wish. He asked that everything he touched would turn to gold. But the blessing became a curse when he hugged his daughter and turned her to gold too.

The main characters from the story appear in the Age of the Gods Mighty Midas video slot. Midas is the top payer himself, rewarding you with a jackpot worth 500x your line bet for five of a kind. The partygoer pays 25-400x for three to five of a kind, and the satyr Silenus pays 20-300x. Midas' daughter pays 15-200x, while Dionysus himself pays 10-150x. All the character symbols can appear stacked and may cover two reel positions at once.

The low-paying icons all represent items that King Midas turned to gold. The chicken pays 5-125x while the rose and apple pay 5-100x. The goblet pays 5-75x, as does the bunch of grapes.

Land Midas Touch

Symbols to Turn Wilds Golden

King Midas certainly had the golden touch. And in this game, he can turn symbols wild. Look out for the golden hand symbol. When this Midas Touch symbol lands on reels 3, 4 or 5, it will point to a symbol to its left. Every instance of the symbol elsewhere on the reels will suddenly turn into a golden wild.

Wilds replace all symbols in the game except the scatters. In addition, they will collapse to allow the symbols above to fall into their place. It is also possible for a Midas Touch symbol to appear and point to a golden wild. When this happens, the golden wild will become a 2x golden wild with added multipliers.

As we found in this Age of the Gods Mighty Midas review, the Midas Touch symbols can really improve your bankroll. But if you have played other bonus slots from leading casino developer Playtech, you won't be surprised by the features on offer here.

Win Free Spins with the Gem Feature

As well as the golden wilds, there are also free spins to be won in this Age of the Gods follow-up. Hit the multicolored scatter on reels 1 and 5, and you will trigger one of five special bonuses.

The Emerald Bonus awards real cash and a prize multiplier, while Ruby Spins make use of the golden wilds. Whenever a golden wild appears in this round, it becomes a multiplier wild using a unique Multiplier Tower. Multipliers can range from 5x to 25x.

During Amber Spins, one symbol is chosen at random to become a golden wild. Sapphire Spins is a great feature for anyone who loves wilds. Up to 65 extra wilds are added to the reels as you enjoy free spins. Finally, when you hit Amethyst Spins, all Midas Touch symbols appear in double stacks.

Our review of the Age of the Gods Mighty Midas slot wouldn't be complete without a look at the special progressive jackpots. There are four jackpots to hit, ranging from the smallest Power Jackpot to the top six-figure Ultimate Power Jackpot.

The jackpot game is triggered at random, and by entering the game you are guaranteed one of the prizes on offer. It works in the same way as Playtech's other Jackpot progressives. You simply select gold coins from the 20 available on the screen, and these will then flip over to reveal a

jackpot amount. If you match three of the same color, you will win the corresponding prize jackpot.

Try the Original Age of the Gods Video Slot

From the Age of the Gods

Mighty Midas review we've compiled, you will have discovered a game that's packed with bonuses. But how does the game compare to other Age of the Gods slots?

Let's focus on

the original release in the range. Playtech's myth-themed Age of the Gods features Zeus, Poseidon, and Hades as they do battle across five reels. If you match three god symbols in the bonus round, you will trigger free spins. Each god has their own unique free spins modifier, including additional wilds, stacked wilds, and multipliers.

Of course, Age of the Gods was the first in Playtech's range of slots to feature the Jackpot progressive. At random, and at any stakes, you can access the bonus pick 'em game. Select from the 20 gold coins to reveal jackpot amounts. Match three jackpots of the same color, and you will win the corresponding prize.

Travel to Ancient Greece and

Win the Jackpot

Players will always enjoy ancient Greece-themed online slots. And it's always good to see nice new online slots appearing with big progressive jackpots attached.

Age of the Gods Mighty Midas really ramps up the bonus features. It's much closer to a game like Age of the Gods Furious 4 than the original Age of the Gods slot. But that is a good thing. If you love high volatility and lots of bonus action, check out the game and play for free today.
