Play Free Konami Slots - No Download Required - No Spam Pop-ups

Top free slot machine games made by Konami Gaming, including Lotus Land, Heart of Romance, Fortune Stacks, China Shores, Wings of the Phoenix and China Mystery. Play them for free, here. Many of us have heard of Konami, even before their venture into slots. The company is well known as one of the biggest video game creators out there! Exactly when the company started making slots is a bit murky. They ventured into it around the same time they started with making arcade cabinets, and eventually focused on it full time. From 2005 onwards, the company moved its HQ to Vegas to better capitalise on the US market.

Konami is a slot developer. The company has made no effort to expand their coverage on table games or other things online casinos might find interesting. They were able to leverage that focus into creating a great variety of games, each one with superb quality. Unfortunately, the software provider never replicated their success with physical machines in the online market. However, they do have a few cool titles we recommend checking out.

### Best Konami Games

Fortune Stacks is, in our opinion, one of the best titles Konami has ever made. The reason for that is quite simple: its special features! Action stacked symbols can replace a number of symbols randomly, and those replaced icons get 2x, 3x or 5x multipliers during free spins. Furthermore, each multiplier applies its multiplier separately, allowing some overwhelming wins to occur during the free spins round.

If you fancy a return to the largest empire in the world, Roman Tribune offers a way to do that! Action stacked symbols make an appearance in this game, too. Other special features include free spins with doubled wins and the Balance of Fortune. That bonus allows you to trade your free spins round for a random instant cash prize. You can only use Balance of Fortune is you have more than twenty free spins.

Do you enjoy progressive jackpots? China Shores gives you an opportunity to score not one but two of them! Alongside the chance of life-changing wins, players also benefit from action-stacked symbols and a free spins round. During free spins, all prizes are doubled! Keep in mind that the progressive jackpot is only available in the Quick Strike version of this release.

Adorned Peacock was definitely a slot theme we did not expect to see. At the time it came out, we found it a bit weird, but played it anyways. However, the peacock ended up being iconic enough that it stuck around in our memory years later! Special features include action-stacked symbols, and a free spins round. During free spins, reels with a peacock in them are nudged until the reel is covered entirely by the fancy bird.

Great Guardians is a relatively recent release, and one whose special features set it apart from other Konami slots. The main draw is the mystery multiplier bonus, where it applies multipliers to guardian icons randomly. Fun fact: the maximum multiplier can go up to 125x! Other bonuses include free spins and action-stacked symbols.

Does Konami still make physical machines? Yes! Unlike many software providers, Konami works with both online and brick-and-mortar casinos. Are there any Konami exclusive special features? Both action-stacked symbols and the Balance of Fortune bonuses are special features we have only seen from Konami. How many Konami slot studios are there? There are two. Konami Gaming, based in Las Vegas, and Konami Australia. The latter was established in 1996, and primarily focuses on the Asia-Pacific market. How many Konami slots can you play online? Right now, players can enjoy just over 50 different video and classic slots using their desktop or mobile devices.

### Free Konami Gaming Slot Machines

### Free Konami Slots and Online Casino Games

For those who grew up playing video games from the 1980's until now, Konami is a well known brand name that occupies a special place in their heart.

The company started well before the 1980's though and their history shows why they are now one of the largest growing casino slot machine manufacturers in the United States.

Konami was actually founded in Japan in 1969 and began its business life as a company that rented and repaired jukeboxes.

1973 came around and after a successful run with jukeboxes, the company moved over to making arcade machines, also called amusement machines.

It was not until 1978 that they released their first product but within a year they expanded their product offerings to the United States. Possibly the most well known title of this era of Konami was Frogger, which was actually sold through a licensing agreement with a United States based company.

In 1982, Konami began establishing their presence here more fully with the creation of Konami of America which helped them produce and sell titles for the NES system in the late 80's and beyond.

It was not until 1997 that Konami decided to start making inroads into the casino gaming industry and it was not until 2000 that Konami became licensed to sell casino games in Nevada, the first step needed to getting into the casino gaming market.

When they entered the market in 2000, they were the first Japanese company to try to take away market share of casino gaming in the largest market in the world.

Another big step forward for Konami Gaming was in 2004 and 2005. In 2004, Konami was granted licenses for manufacture and sales of casino machines in a number of other states in the United States as well as the Canadian provinces of Quebec, British Columbia and Saskatchewan.

This led to Konami's Casino Management System software being chosen to by Quebec's lottery commission to provide system support for all of the government run casinos in the province. The system allowed for customers to use the same card in all of the casinos and was the reason for the contract being awarded to Konami.

Since 2005, Konami has been generating new titles and new technology like no other company in the industry. Their goal seems to be to be at the top of the pack for technology while still delivering on all other levels as the small fish in a big pond. Popular titles in the Konami casino machine catalogue include Egyptian Eyes, Full Moon Diamond, African Diamond and Gold Frenzy.

Their newest game cabinets are become incredibly popular as more players long for the days of mechanical reeled games, yet do not want to give up the fun bonus features which video slot

machines provide.

Konami's Advantage Revolution platform delivers on both accords with mechanical 3-wheel, multi line play as well as progressive bonuses and touch screen game play in the top box LCD, giving players a little bit of everything in one package.

### Quem é o Proprietário do Horseshoe Casino?

No mundo dos cassinos, o Horseshoe Casino é uma marca bem conhecida e respeitada. Mas sabe você quem é o dono desse famoso cassino?

O Horseshoe Casino é propriedade da **Caesars Entertainment Corporation**, uma das maiores empresas de entretenimento e jogos de azar do mundo. A Caesars Entertainment Corporation tem black jack steam sede em Las Vegas, nos Estados Unidos, e possui e opera cassinos em vários países, incluindo os Estados Unidos, Canadá, Reino Unido e, claro, no Brasil.

A Caesars Entertainment Corporation foi fundada em 1937 e atualmente emprega mais de 60.000 pessoas em todo o mundo. Além dos cassinos, a empresa também está envolvida em outros negócios, como hotéis, resorts, restaurantes e entretenimento ao vivo.

Mas voltando ao Horseshoe Casino, é importante ressaltar que a marca é sinônimo de luxo, glamour e emoção. Os cassinos Horseshoe oferecem uma ampla variedade de jogos de azar, incluindo blackjack, roleta, pôquer e slots. Além disso, os cassinos também oferecem shows ao vivo, restaurantes de classe mundial e outras atrações turísticas.

Em resumo, o dono do Horseshoe Casino é a Caesars Entertainment Corporation, uma das maiores e mais respeitadas empresas de entretenimento e jogos de azar do mundo. Se você é fã de cassinos e jogos de azar, certamente já deve ter ouvido falar sobre o Horseshoe Casino e suas lendárias mesas de pôquer.

### O Sucesso do Horseshoe Casino

O sucesso do Horseshoe Casino não é uma coincidência. A marca tem uma longa e rica história que remonta à década de 1950, quando o fundador do cassino, Jack Binion, abriu o primeiro Horseshoe Casino em Las Vegas.

Desde então, a marca Horseshoe se expandiu para outras cidades dos Estados Unidos e para outros países, tornando-se uma das marcas de cassinos mais reconhecidas e respeitadas do mundo. A chave do sucesso do Horseshoe Casino é black jack steam ênfase na qualidade, no serviço ao cliente e no entretenimento de alto nível.

Além disso, o Horseshoe Casino é conhecido por oferecer os melhores jogos de azar e as maiores apostas do setor. Por exemplo, o Horseshoe Casino em Las Vegas é famoso por oferecer as maiores apostas em jogos de cassino do mundo, incluindo apostas de até 500.000 dólares em blackjack e até 1 milhão de dólares em roleta.

### O Horseshoe Casino no Brasil

O Horseshoe Casino também está presente no Brasil, oferecendo a mesma experiência de luxo, glamour e emoção que os fãs de cassinos em todo o mundo esperam da marca.

No Brasil, o Horseshoe Casino opera em parceria com a empresa local **Odbrecht**, oferecendo jogos de azar em vários estados do país, incluindo São Paulo, Rio de Janeiro e Minas Gerais.

Se você estiver no Brasil e quiser experimentar a emoção do Horseshoe Casino, certifique-se de visitar um dos cassinos operados em parceria com a Odbrecht. Lá, você poderá desfrutar dos melhores jogos de azar, shows ao vivo, restaurantes de classe mundial e outras atrações turísticas.

Em resumo, o Horseshoe Casino é uma marca global de cassinos de luxo, glamour e emoção. Se você é fã de jogos de azar, certamente já deve ter ouvido falar sobre o Horseshoe Casino e black jack steam longa e rica história. E se você estiver no Brasil, não perca a oportunidade de experimentar a emoção do Horseshoe Casino em um de seus cassinos operados em parceria com a Odbrecht.
